Scholarship Applications will be accepted anytime according to the calendar shown above. Based on the answers to the application questions, applicants may or may not be contacted via telephone to arrange a personal interview. Successful candidates will be notified by both email and US mail.

Be sure to answer all questions completely, and that all information is correct, up to date and legible. Contact information is particularly important, especially email address and cell phone number. These are our primary methods of communication.

1. Along with the application, Applicants must provide:

- a. Documentation from college's financial aid office of all financial aid received along with an estimate of your annual college expenses. The school's Financial Aid Office will provide this information.
- b. Proof of family income. This may include a copy of parent's previous year's income tax return or year-end pay stubs from both parents. The same instructions to grandparents or other family members providing funding.
- c. A transcript of current school credits. Because the Spring scholarship award will be disbursed after the end of the Fall semester, you must bring a copy of your final Fall grades when picking up the check on December 28. No exceptions—no grades, no check.

MAIL the above information to the address shown on the application. We may contact you via telephone to arrange a follow-up interview. Good Luck!
